**Important** – The **Boat Trip** and **Wildlife Photo Shoots with Tom Ulrich** are limited — 30 for the boat trip and 12 each morning for the photo shoot — first-come first-served, so the sooner you send in your registration the better your chances of going on the boat trip and getting your first choice for the early morning photo shoot. Tom assures us that it will be possible for people to shoot with him Wednesday morning and then go directly to the boat dock for the 9:00am departure.
